• **Model:** NU 206 ECP  
• **Dimensions:** 30.00mm x 62.00mm x 16.00mm

[SKF](#)

Single row cylindrical-roller bearing **NU 206 ECP**  
Brand: **SKF** Size: **30X62X16**

**d (inner diameter)** 30 mm

**D (outer diameter)** 62 mm

**B (width)** 16 mm

**PREFIX**

| Prefix/Suffix | Description |
|---------------|-------------|
|---------------|-------------|

|    |                                                                                                                  |
|----|------------------------------------------------------------------------------------------------------------------|
| EC | Optimized internal design incorporating more and/or larger rollers and with modified roller end / flange contact |
|----|------------------------------------------------------------------------------------------------------------------|

|   |                                                           |
|---|-----------------------------------------------------------|
| P | Glass fibre reinforced PA66 cage, rolling element centred |
|---|-----------------------------------------------------------|
